

FISCAL NOTE

HB 3007 - SB 3079

February 12, 2000

SUMMARY OF BILL: Specifies that a person having been placed under arrest and requested to submit to an alcohol or drug test who refuses will be subject to revocation of their driver's license for a period of one year if not previously convicted of D.U.I., vehicular homicide, aggravated vehicular homicide, vehicular assault or adult driving while impaired and 2 years if the person has a prior conviction for one of these offenses. Current law does not provide for the 2 year suspension for those with prior convictions of these offenses.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues - Not Significant - One-Time

Estimate assumes that the state will experience a not significant decrease from the decrease in reinstatement fees due to the lengthier suspension period delaying collection. This is expected to be a one-time decrease in the first year the act is in effect.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
